# BOOK PUBLISHING PROCESS

01

## CONSULTATION

We start with a detailed discussion to understand your book idea, goals, and target audience. Our team guides you on the best publishing approach.

02

## MANUSCRIPT EVALUATION

Our experts review your manuscript and provide professional feedback and suggestions to improve structure, clarity, and overall impact.

03

## EDITING

We refine your manuscript through expert editing for grammar, flow, consistency, and readability while preserving your original voice.

04

## DESIGN & FORMATTING

Our designers create a professional book cover and format the interior layout for print and digital platforms with industry-standard typesetting.

05

## PUBLISHING

We assign ISBN, handle copyright registration, and make your book available globally in eBook and print formats.

06

## MARKETING SUPPORT

We provide promotional support and marketing strategies to help your book reach the right audience and gain visibility.

07

## AUTHOR ROYALTIES

You earn royalties on book sales. We provide transparent reporting and ensure timely royalty payments.

08

## DISTRIBUTION

Your book is distributed across major online stores and global platforms to ensure maximum availability.

09

## BOOK LAUNCH

We plan and support a successful book launch to create excitement, engage readers, and maximize your book's impact.

10

## ONGOING SUPPORT

Our relationship continues after publishing. We provide continuous support for updates, reprints, and future projects.

# IMPORTANT PUBLICATION GUIDELINES

Please review the following information regarding our submission and publication process:

## 1. TRANSPARENT PRICING

All listed prices are inclusive of all applicable taxes. The price you see is the final amount, with no hidden fees or surprise charges.

## 2. COMMITMENT TO QUALITY

We operate with a strict focus on academic merit. This is not a “pay-and-publish” platform; we prioritise research integrity and scholarly impact above all else.

## 3. RIGOROUS ETHICAL REVIEW

Every manuscript undergoes a thorough evaluation. All submissions are vetted in strict accordance with the Committee on Publication Ethics (COPE) guidelines to ensure the highest standards of professional conduct.

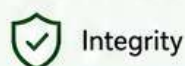

## 4. APPROVAL & PAYMENT PROCESS

Publication is subject to final editorial and publisher approval. To ensure fairness, payment is only accepted after your manuscript has been formally approved for publication. Manuscripts that fail to meet our ethical or peer-review standards will not be accepted.

## OUR MISSION

We are dedicated to maintaining the highest standards of scholarly publishing. We appreciate your commitment to ethical research practices and your contribution to the academic community.
